

Demeter Non GMO Declaration

Company name

Street number

Postal code City

The company named above declares by signing this declaration

that the products listed underneath are in line with the EU-regulation (EC) Nr. 1829/2003 dated 22/09/2003 related to genetically modified food and feed,

as well as the requirements in the EU-regulation (EC) Nr. 1830/2003 dated 22/09/2003 about the traceability and labelling of genetically modified organisms and about the traceability of food and feed manufactured from genetically modified organisms,

as well as the principles related to the exclusion of Genetically Modified Organisms (GMO) as laid out in the Demeter Standards.

This includes the following aspects:

1. The products are non GMO.
2. The products do not contain GMO.
3. The products were not completely or partly manufactured by or by means of GMO.
4. Carriers, culture media, processing aids or further additives, if any were used, do not contain or were not manufactured by or by means of GMO.

The subscriber obliges him or herself to inform customers and their inspection bodies/authorities without further delay about any change or withdrawal of this declaration, or when there is any incoming information that puts the accuracy of this declaration in question.

The subscriber entitles Demeter e. V., to seek proof of the accuracy of this declaration and to take samples for analysis. Furthermore, the subscriber allows Demeter e.V. to contract out such tasks to independent third parties, based on an assignment in writing.

This declaration relates to the following products:

Product name	Art.nr.	Quant.	Remarks

Subscriber confirms the accuracy of the statements in this declaration.

Country, city, date and signature	Firm stamp
